

# Public Engagement Strategies

The following public engagement strategies are used by the City of Tecumseh as part of public outreach and communication:

- Public Meetings
- Newspaper Postings (Tecumseh Herald)
- Person to Person Communications
- Website Postings and Social Media
- Public Announcements
- Utility Bill Notices
- Constant Contact Email Notices
- Surveys and Public Event Outreach

The City of Tecumseh webpage ([www.mytecumseh.org](http://www.mytecumseh.org)) is continually updated throughout the planning process. All documents distributed at meetings and community events will be included on the webpage, including such items as draft maps, the planning process, schedules, frequently asked questions, and related links.

These social media sites are routinely used to update the citizens of the community as part of the public involvement strategy:
