

EVANS STREET CORRIDOR PLAN

We want to hear from you!

The City is currently updating its Master Plan for the Evans Street Corridor. This important corridor, from Bidwell Street to Russell Road, intersects Downtown Tecumseh and is critical in providing connectivity throughout the community, as well as providing opportunities for future development.

Take a 5-minute survey, so the desires and vision of the community are reflected in the Plan! The survey can be completed online by scanning the QR code to the right, or by filling out a hardcopy, available at City Hall.

Please return completed hard copy surveys at **City Hall (309 E. Chicago Blvd) to Kelly Jo Gilmore by September 29, 2023.**

Thank you for your time and continued support for the City of Tecumseh!
